

Produces Line - Battery Series II

>10000

Cycle Life
harsh environments

450/800Ah

100% DoD

More Safety

temperature reducing 7 °C
better heat dissipation

Modern
BMS

More Smart

installtion space
saving 16%

140Wh/kg

High Energy Density
Increasing 6%

System cost

reducing 13%

Model #	Working Temperature	Cycle	Capacity	Energy Density	Dimension(mm) L*W*H
ESH450	-40°C~60°C	10000+	450Ah	110Wh/Kg	
ESH800	-40°C~60°C	10000+	800Ah	140Wh/Kg	205*533*57
